SCDEW Partners with SCBOS to Improve Service to Employers

The SC Department of Employment and Workforce (DEW) is improving its service to employers by offering them a faster, more convenient and secure way to file low earnings and partial claims reports (Form UCB 114) on behalf of their employees through South Carolina Business One Stop (SCBOS).

UCB 114 is now available online through SCBOS. Advantages to employers filing this form online through SCBOS include reduction in processing costs, faster claims processing, maximum security and even the ability for qualified claimants to receive benefits more quickly.

To file, employers must log on to www.scbos.sc.gov/ucb114.aspx and either register to create a new account or log in using an existing user identification and password. Easy-to-follow filing instructions for Form UCB 114 are located on the SCBOS website.

Businesses with less than 10 employees can contact the DEW's claim control unit at 803-737-2532 to request a paper version of Form UCB 114 be mailed or faxed.
